\*Crimes of murder, manslaughter, arson, forcible rape and aggravated assault that show evidence of prejudice based on race, religion, sexual orientation, ethnicity or disability as prescribed by the Hate Crimes Statistical Act.

\*\* Violence Against Women Reauthorization Act of 2013 (VAWA) requires institutions to compile statistics for instances of sexual assault, domestic violence, dating violence, and stalking that are reported to campus security authorities or local police agencies.

1. This institution does not employ campus security personnel but encourages both its employees and students to immediately report suspected criminal activity or other emergencies to the nearest available institutional official and/or in the event of emergency to directly contact local law enforcement or other emergency response agencies by dialing 911.

2. All students and employees are required to report any crime or emergency to their institutional official promptly. If a student or employee wishes to report a crime on a voluntary or confidential basis, the institutional official will be prepared to record and report the crime, but not the name of the informant. The student or employee may, in order to maintain confidentiality, submit the information in writing to his/her institutional official without signature. If the student wishes not to maintain confidentiality, the student will contact his/her teacher or school official who in turn will contact the nearest supervisor to report criminal actions or emergencies to the appropriate agency by calling (911).

Preparation for the Annual Disclosure of Crime Statistics report is obtained by the institution's campus director who contacts the Pleasanton Police Department for statistics, maintains the institution's daily incident logs, and then records those statistics.
